

Nursing Home Administrator Licensure and AIT Requirements

Nursing Home Administrators are licensed by the Virginia Department of Health Professions and regulated by the Board of Long Term Care Administrators. Regulations on qualifications for licensure of administrators, training facilities and preceptors can be found at www.dhp.state.va.us/nha/leg/reg_Long-TermCareAdministrators7-1-05.doc.

Information related to qualifications to apply for an AIT program and other questions about administrator licensure is available at www.dhp.state.va.us/nha/nha_faq.htm.

Forms and applications for nursing home administrator licensure, Administrator in Training (AIT) and Preceptor are available at http://www.dhp.state.va.us/nha/nha_forms.htm.
