

Advance Your Clinical Knowledge—  
Become WOUND CARE CERTIFIED.

## SKIN AND WOUND MANAGEMENT COURSE

Live Online

This course offers an evidence-based approach to wound management to help clinicians stay current with the standards of care and legally defensible at bedside. The Wound Care Education Institute® (WCEI®) provides dynamic instructors who use engaging teaching methods proven to help students learn better and retain new material.

EDUCATIONAL COURSES FOR LPN/LVN • RN • NP • PA • MD • DO • DPM • RD • RDN • PTA • PT • OTA • OT

### FLEXIBLE - PRACTICAL - AFFORDABLE

This live online course combines the benefit of live education in a virtual classroom featuring the crème de la crème of wound care instructors. These dynamic, highly energetic wound care certified instructors design and deliver the curriculum for an engaging and interactive learning experience.

#### Benefits of Live Online Education

- Lower cost compared to an onsite course, thanks to no travel or hotel expenses
- Peer-to-peer interaction allows you to learn from their experiences and extends your professional network
- Connect with your instructor during class, learn from their experiences and depth of knowledge
- Become more comfortable with technology and the virtual environment
- Implement the knowledge and skills from the virtual classroom into your practice immediately
- Flexible class scheduling allows you to minimize disruptions
- Benefit from real, practical training with study guide materials.

#### Value of a WCEI course

- Start reviewing course materials prior to the class starting
- Test your knowledge after each lesson with helpful practice questions
- Use study-support tools like learning games and clever digital flashcards to reinforce your understanding of concepts
- Gauge your exam readiness by taking full-length, timed practice exams
- Study on the go with a mobile-friendly format

### FLEXIBLE LIVE ONLINE CLASS SCHEDULING

There's no "one size fits all" approach. Select the class days that fit best with your work and personal schedule. There are three convenient options:

#### Traditional 4-day Course

Complete the course in 4 consecutive days of 8-hour long classes.

#### Flexible 4-day Course

Select 4 class days, each 8-hours long, within a 60-day period.

#### Flexible 6-day Course

Select 6 classes, each 5-hours long, within a 60-day period.

Visit our website to find the next Live Online class:  
[www.wcei.net/courses/calendar/wcc/live-online](http://www.wcei.net/courses/calendar/wcc/live-online).  
180-day self paced online option is also available!

### Examination Eligibility

Those wishing to take the Wound Care Certified (WCC®) or Nutrition Wound Care Certified (NWCC®) board certification exam must take the NAWCO® approved training course, plus hold an active unrestricted license in one of the following professions:

- LPN/LVN, RN, NP, PA, OTA, OT, PT, PTA, MD, DO, DPM: 2 years full time or 4 years part time where wound care was a component of the job duties in the past 5 years
- RD/RDN: practiced 1 year full time or 2 years part time

#### Do you have credentialing exam questions?

Contact the accrediting board, NAWCO at 877-922-6292 or visit [nawccb.org](http://nawccb.org).

## Speakers and Planning Committee

### Ann Avery

RN, CWCN, LNC, WCC

### Bill Richlen

PT, CWS, WCC, DWC

### Don Wollheim

MD, FAPWCA, WCC, DWC

### Scott Batie

MPT, RPT, MEd, WCC, OMS

### Joy Hooper

RN, BSN, CWCN, OMS, WCC

### Denise Richlen

PT, CLT, WCC, DWC

### Tracy Lynn Rodgers

RN, BSN, LNCC, RN-CLTC, WCC, DWC

## Course Learning Objectives

- Discuss how standards of care, evidence based practice, and a multidisciplinary wound care team can affect clinical choices in wound management.
- Discuss the basic anatomy and physiology of the skin.
- Identify at least 5 parameters required for accurate wound assessment.
- Identify pressure ulcer stages according to NPUAP guidelines.
- Identify 5 factors which enhance or impede the wound healing process.
- Explain 4 types of basic principles of wound bed preparation.  
Identify 3 major components of a nutritional assessment for optimizing wound healing.
- Identify 4 different categories for topical wound management.
- Select treatment options based upon wound assessment, etiology, and goal of wound care.
- Differentiate arterial, neuropathic, and venous ulcers in terms of causative factors, pathophysiology, appearance, and principles of management.
- Describe 3 factors involved in development of a pressure ulcer and interventions to prevent their occurrence.
- Describe at least 5 interventions that optimize acute surgical wound healing.
- Differentiate between wound etiologies and clinical manifestations of acute and traumatic wounds.
- Differentiate types of burns and principles of management.  
Select treatment options and differentiate wound etiologies and clinical manifestations of chronic, malignant, and inflammatory wounds. Discuss 3 adjunctive treatment modalities that enhance wound healing.
- Discuss current multidisciplinary care approaches to wound care.
- Discuss components required for accurate wound documentation.

## Continuing Education Statements

*The course materials and evaluation form must be completed to receive a certificate of completion.*

**Nurses:** In support of improving patient care, OnCourse Learning (a Relias LLC company) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Relias LLC is approved by the California Board of Registered Nursing, Provider #CEP13791 for 22.75 contact hours. Certificate must be retained by the licensee for a period of 4 years after course completion

**Occupational Therapists:** Relias LLC is an approved provider of continuing education for occupational therapists by the American Occupational Therapy Association. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA. The Skin and Wound Management Course is approved for 2.25 AOTA CEUs for occupational therapists and occupational therapy assistants. Please check with your state for prior approval.

**Physical Therapists:** Relias LLC (formerly OnCourse Learning) is a licensed physical therapy continuing education sponsor (#216.000290) by the Illinois Department of Financial and Professional Regulation. Certificates must be retained by the licensee for a period of 5 years after course completion. The Skin and Wound Management Course is approved for 22.75 contact hours for physical therapists and physical therapy assistants. Please check with your state for prior approval.

**Registered Dietitians:** Relias LLC is a Continuing Professional Education (CPE) Accredited Provider (#ON001) with the Commission on Dietetic Registration (CDR). This is a level 2 course with suggested CDR learning codes of 2000, 3000, 5000, 5040, 5050, 5090, 5100, 5101, 5380 and performance indicators of 2.2.1, 2.2.4, 2.3.2, 4.1.2, 4.4.1, 8.1.1, 8.1.3, 8.1.4, 10.1.2, 10.2.3, 10.2.4, 10.2.9.

**Physicians:** In support of improving patient care, OnCourse Learning (a Relias LLC company) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team. Relias LLC designates this live activity for a maximum of 22.75 AMA PRA category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
