About the D. A. “Woody” Brown Community Involvement Awards

VHCA-VCAL’s D.A. “Woody” Brown Community Involvement Awards recognize members who have demonstrated a high degree of professionalism and creativity in designing activity programs that encourage and support their residents and families. VHCA-VCAL is honored to acknowledge the outstanding activity programs that involve, entertain, educate, and enrich the individuals in their care.

The D. A. “Woody” Brown Community Involvement Awards program was named in honor of Woody Brown, the first director of operations of Autumn Corporation, a Vietnam Veteran, and a dedicated, enthusiastic leader in long term care.

2022 Award Categories

National Skilled Nursing Care Week (NSNCW) or National Assisted Living Week (NALW) Program
This category celebrates special events centers host during these annually themed weeks, which occur in May and September, respectively. The theme for NSNCW for 2022 is Creating and Nurturing Connections. The 2021 NALW theme was Compassion, Community, Caring.

Special Event Program
The Special Event award is designed to recognize a one-time activity such as a holiday-specific program or creative event held between 2020 and May 2022. The award is granted based on program design and its ability to engage residents.
